

Durable 800W Detachable LED Grow Light For Optimal Plant Growth

Our Product Introduction

for more products please visit us on growled-light.com

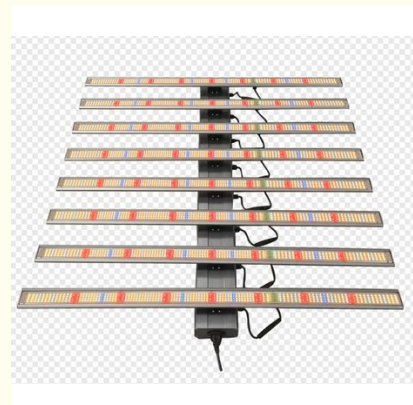

Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC ETL DLC
- Model Number: HY8-800W-D9-110
- Minimum Order Quantity: 1
- Packaging Details: Carton Box 1160*295*280MM Gross Weight: 14kg/ctn
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000pcs per day

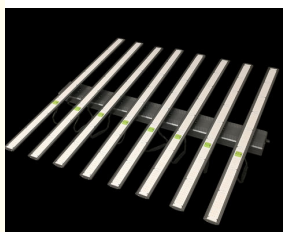

Product Specification

- Power: 800W
- Model Name: 800W Detachable LED Grow Light
- Input Voltage: 100-277VAC 50/60Hz
- Dimmable: 0-10V Dimming
- Material: Aluminum Alloy
- PPFD (Photosynthetic Photon Flux Density) (380-780nm): 2800 μ mol/m²/s
- PPE (Photosynthetic Photon Efficacy): 2.8 μ mol/J
- Full Spectrum: Full Spectrum White
Light+460nm+660nm+IR 730nm
- Highlight: **800W Detachable LED Grow Light,**
Durable Detachable LED Grow Light,

Product Description

800W Dimmable Detachable LED Grow Light The Ultimate Solution For Optimal Plant Growth

Product Description:

The Detachable LED Grow Light has an input voltage of AC100-277V, making it ideal for use in different countries and regions. One of the main advantages of the Detachable LED Grow Light is its long lifespan of 50,000 hours. This means that you can use this product for years to come without worrying about frequent replacements. This product is also built to last, thanks to its sturdy construction using high-quality materials such as aluminum alloy.

The Detachable LED Grow Light features two LED colors, red and blue. The red LED light is designed to promote flowering and fruiting, while the blue LED light is ideal for promoting vegetative growth. These two colors work together to provide your plants with the right amount of light they need at different stages of their growth.

The Detachable LED Grow Light is designed to be detachable, which means that you can easily remove the light from the stand and use it as a standalone light. This feature makes it easy for you to use the product in different settings and environments.

In summary, the Detachable LED Grow Light is a versatile and durable product that can help you grow healthy and vibrant plants. Its long lifespan, and two LED colors make it an ideal product for plant growth. Its detachable design also adds to its convenience and usability. Get your Detachable LED Grow Light today and start growing healthy plants!

Technical Parameters:

Product Name	800W Detachable LED Grow Light
Model number	HY8-800W-D9-110
Power	800W
Input voltage	100-277VAC 50/60Hz
LED Driver	UL CE Driver
Channel	1 channel
Dimmable	0-10V Dimming
Lumen	128000LM
Lumen efficiency CRI	160LM/W >80
PPFD (Photosynthetic Photon Flux Density) (380-780nm)	2800 μ mol/m ² /s
PPE (Photosynthetic Photon Efficacy)	2.8 μ mol/J
Detachable	yes
Full spectrum	Full spectrum white light+460nm+660nm+IR 730nm
Coverage	4x4ft
Mounting height	≥ 6" (15.2cm) Above canopy
Supplementation time	Vegetative Stage: 12 - 14 hours on; Flowering Stage: 9-12 hours on; Fruiting Stage: 7-8 hours on.
Product size	1100*1040mm
PF	>0.95
THD	<15%
LED Bar	8 strips
Angle	120°
Housing color	Silver
Material	Aluminum
IP	IP54 (Indoor using)

Lifespan	>50,000H
Working Temperature	-20°C~+45°C
Operating Humidity	<95%
Storage Temperature	-40°C~+80°C
Input voltage(AC)	100 V 220 V 240 V 277 V
Input current at 100%	10A 5.45A 5A 4.3A

Applications:

The Detachable LED Grow Light is also made from durable materials including aluminum alloy, ensuring a long lifespan of up to 50,000 hours. With an input voltage of AC100-277V, this product is compatible with a wide range of electrical systems.

There are numerous occasions and scenarios where the Detachable LED Grow Light can be used to enhance plant growth. One example is for indoor herb gardens, where the Detachable LED Grow Light can provide the necessary light for herbs to thrive without the need for natural sunlight. Another example is for hydroponic setups, where the Detachable LED Grow Light can be used to supplement the lighting for plants grown in nutrient-rich water solutions. The Detachable LED Grow Light can also be used for indoor flower gardens, succulent arrangements, and more.

ANROFU offers a minimum order quantity of 1 and a delivery time of 3-5 working days, making it easy for customers to get their hands on this product quickly. Payment terms are T/T and the supply ability is an impressive 10,000pcs per day, ensuring that customers can rely on ANROFU for their indoor gardening needs.

Support and Services:

The Detachable LED Grow Light product comes with the following technical support and services:

24/7 customer support via online chat or phone

Product manuals and documentation

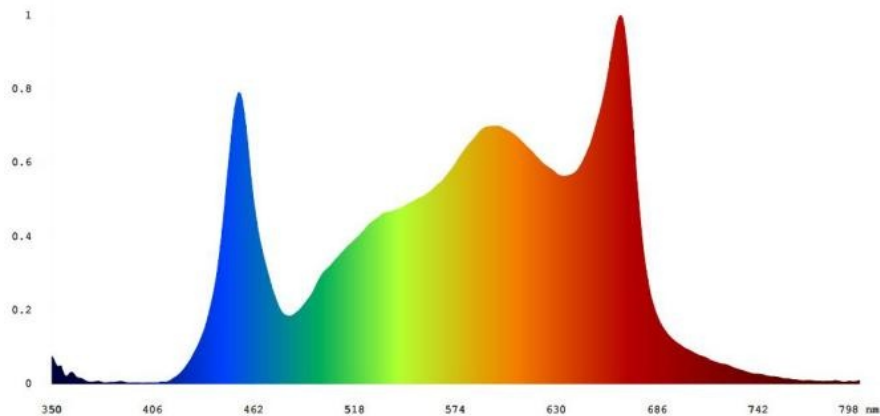

Warranty coverage for manufacturing defects

Repair services for damaged or malfunctioning products

Replacement parts and accessories

Product upgrades and enhancements
