

50W High-Efficiency LED Grow Light Tube for Optimal Plant Growth Results

Our Product Introduction

for more products please visit us on growled-light.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC ETL DLC
- Model Number: HY1W-50W-1AE2
- Minimum Order Quantity: 1
- Packaging Details: Carton Box :1160*465*155MM Gross Weight: 17kg/ctn
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000pcs per day

Product Specification

- Product Name: 50W LED Grow Light Tube
- Input Voltage: 100-277VAC 50/60Hz
- Power: 50W
- PPFD (Photosynthetic Photon Flux Density) (380-780nm): 105 μ mol/m²/s
- PPE (Photosynthetic Photon Efficacy): 2.1 μ mol/J
- Product Size: 1114*55.6mm
- Highlight: IP65 LED Grow Light Tube, LED Grow Light Tube Easy Install

Product Description

Product Description:

One of the standout features of this LED Grow Light Tube is its PPE (Photosynthetic Photon Efficiency) of $2.1\mu\text{mol/J}$. This means that it is incredibly efficient at converting electricity into light that is usable by plants for photosynthesis. The lamp lumens efficiency is also $2.1\mu\text{mol/J}$, making it a highly effective tool for plant growth.

The LED Grow Light Tube has a lifetime of 50,000hrs, ensuring that it will last for a long time and provide consistent results. This makes it a reliable and cost-effective option for those who want to grow plants indoors.

Overall, the LED Grow Light Tube is a high-quality product that is perfect for those who want to grow plants indoors. With its efficient PPE and lamp lumens efficiency, it provides excellent results while also being cost-effective in the long run. Its long lifetime ensures that it will last for a long time and provide consistent results. If you're looking for a reliable and effective LED grow light, the LED Grow Light Tube is the perfect choice for you.

Technical Parameters:

Model Name	HY1W-50W-1AE2
Power	50W
Input voltage	100-277VAC 50/60Hz
PPFD (Photosynthetic Photon Flux Density) (380-780nm)	$105\mu\text{mol/m}^2/\text{s}$
PPE (Photosynthetic Photon Efficacy)	$2.1\mu\text{mol/J}$
Coverage	4x1ft
Product size	1114*55.6mm
Box packing size	1160*465*155MM(10pcs)
N.W	1.52kg/pcs
Lifespan	>50,000H

Applications:

The LED Grow Light Tube is perfect for various application occasions and scenarios. It can be used for indoor gardening, hydroponics, greenhouse cultivation, and plant factory. The product is designed to provide the right spectrum of light that is required for plant growth. It ensures that your plants receive the right amount of light energy, which is essential for their growth and development.

The LED Grow Light Tube is suitable for different types of plants, including vegetables, fruits, flowers, and herbs. It is perfect for those who want to grow plants indoors or in places where there is limited sunlight. The LED Grow Light Tube is an ideal solution for those who want to grow plants all year round.

The product is easy to install and use. It can be used in different types of indoor growing environments, including grow tents, grow rooms, and hydroponic systems. The LED Grow Light Tube is energy efficient, which helps to reduce your energy bills. Additionally, the product has a long lifespan, which makes it a cost-effective solution for indoor gardening.

If you are looking for a reliable and high-quality LED Grow Light Tube, Anrofu LED Grow Light Tube is the perfect product for you. The product has a minimum order quantity of 1 and a delivery time of 3-5 working days. The payment terms are T/T, and the supply ability is 10000pcs per day. The voltage of the product is 100-277V, and the PPE is $2.1\mu\text{mol/J}$.

Support and Services:

The LED Grow Light Tube product comes with comprehensive technical support and services to ensure optimal performance and longevity. Our team of experts is available to assist with any questions or concerns regarding installation, operation, and maintenance of the product. Additionally, we offer repair and replacement services for any defective or damaged parts. We also provide customization options to meet specific customer requirements. Our goal is to provide excellent customer service and ensure complete satisfaction with our product.
