

## ANROFU Foldable LED Grow Light Dimmable 800W For Indoor Plant Cultivation

### Our Product Introduction

for more products please visit us on [growled-light.com](http://growled-light.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC DLC ETL
- Model Number: HY8-800W-HT
- Minimum Order Quantity: 1
- Packaging Details: Carton size 1170\*650\*130cmmm Weight 13.73kg /pcs
- Delivery Time: 3-5 days
- Payment Terms: T/T
- Supply Ability: 10000pcs per day

#### Product Specification

- Led Quantity: 2448pcs
- Material: Aluminum Alloy
- Operating Humidity: <95%
- Dimmable: Yes
- Voltage: AC 100-240V
- Foldable: Yes
- Power: 800W
- Spectrum: Full Spectrum
- Highlight: Indoor Plant LED Grow Light Dimmable, Foldable LED Grow Light Dimmable, Foldable LED Grow Light 800W

## Product Description

### 800W Dimmable Foldable LED Grow Light The Ultimate Solution for Indoor Plant Cultivation

#### Product Description:

Our Flexible Vegetation Grow Light provides a full spectrum of light that can mimic natural sunlight, which is essential for plant growth and development. With a power of 800W, this Portable Cultivation Light can cover a larger area with sufficient light for your plants to grow healthy.

One of the best features of this product is its foldable design. You can easily adjust the angle and height of the light to match the needs of your plants. The Foldable LED Grow Light is also easy to store, making it a great space-saving option for those who want to cultivate plants indoors.

With this product, you can provide your plants with the light they need, regardless of the weather outside. The Full Spectrum LED Grow Light is perfect for all stages of plant growth, from seedling to flowering. You can also use it for a variety of plants, including vegetables, herbs, and flowers.

In summary, our Foldable LED Grow Light is a great investment for indoor gardeners who want to improve their plant's growth and health. Its features include a Flexible Vegetation Grow Light, Portable Cultivation Light, Full Spectrum LED, and a Foldable design. With its 2448pcs of LED quantity and 800W power, you can ensure that your plants get the right amount of light they need to grow healthy and strong.

#### Features:

**Product Name:** Foldable LED Grow Light

**Type:** Expandable Planting Spectrum LED

**Foldable:** Yes

**Dimmable:** Yes

**Voltage:** AC 100-240V

**Power:** 800W

**Led Quantity:** 2448pcs

**Additional Info:** Collapsible LED Grow Light, Foldable Plant Growing Light

#### Technical Parameters:

Power cord type	US /AU/EU/GB
Input voltage	100-240VAC
Rated voltage	120/220VAC
Use light source	SMD2835/3030
Light angle	120degree ±5
Rated power	800W±5%
Coverage	4*4ft
LED Quantity	2448PCS
PPFD	700-2400 μmol/(m².s)
PPF efficiency	2.8 μmol/s/W
Power factor	≥0.9
Light effect	160 lm/W ±5%
Dimension	L1100 × W1100 × H90mm (including power supply); Folding size: L1100 × W580 × H75mm (excluding power supply)
Luminous flux	128000lm
Working temperature	-10~+45°C
Storage temperature	-20~+50°C
Gross weight/carton	13.73kg / 1170*650*130mm
Feature	Two fold design, networked control
Application	Large-scale industrial planting, family planting tents

## Applications:

The Foldable LED Grow Light is an innovative and flexible Bendable Horticultural Lamp that is perfect for plant growth in indoor and outdoor areas. Its full-spectrum feature enables you to provide the necessary light that plants need, especially during winter or low-light conditions. The light spectrum is also adjustable, making it a Dimmable Plant Growing Light that can provide a customized light environment to suit your plants' specific needs.

ANROFU's Foldable LED Grow Light is perfect for commercial and home growers who want to cultivate plants, vegetables, and flowers all year round. It is also suitable for plant enthusiasts who have limited space or live in areas with unfavorable weather conditions. Its foldable feature makes it easy to store and transport, making it a convenient Bendable Horticultural Lamp that can be used for outdoor activities like camping and hiking.

The Foldable LED Grow Light's 800W power and <95% operating humidity make it energy-efficient and safe to use, even for extended periods. You can use it to grow various plants, including succulents, herbs, orchids, and vegetables. Its flexible design allows you to adjust the light's angle for optimal coverage and light distribution, making it an efficient Foldable Plant Growing Light.

In conclusion, ANROFU's Foldable LED Grow Light is an excellent investment for plant growers and enthusiasts who want to provide their plants with the best light conditions. Its Bendable Horticultural Lamp design, full-spectrum feature, and adjustable light spectrum make it an ideal option for both indoor and outdoor plant growth. Its energy-efficient and safe operation, along with its foldable feature, make it a convenient and practical choice for your plant growing needs.

## Support and Services:

The Foldable LED Grow Light is designed to provide the optimal lighting conditions for indoor plants, helping them to grow faster and stronger. Our product comes with a variety of features, including:

**Adjustable brightness levels**

**Customizable light spectrum**

**Foldable design for easy storage**

**Energy-efficient LED bulbs**

**Timer function for automated lighting schedules**

Our technical support team is available to assist with any issues or questions related to the product. In addition, we offer various services to ensure the optimal performance of your grow light, including:

**Product installation and setup**

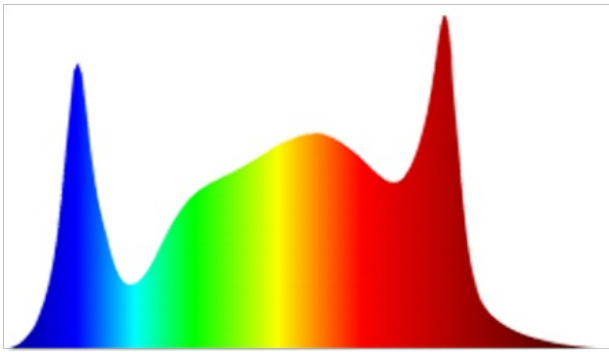

**Regular maintenance and cleaning**

**Replacement of defective parts**

**Upgrades and customization options**

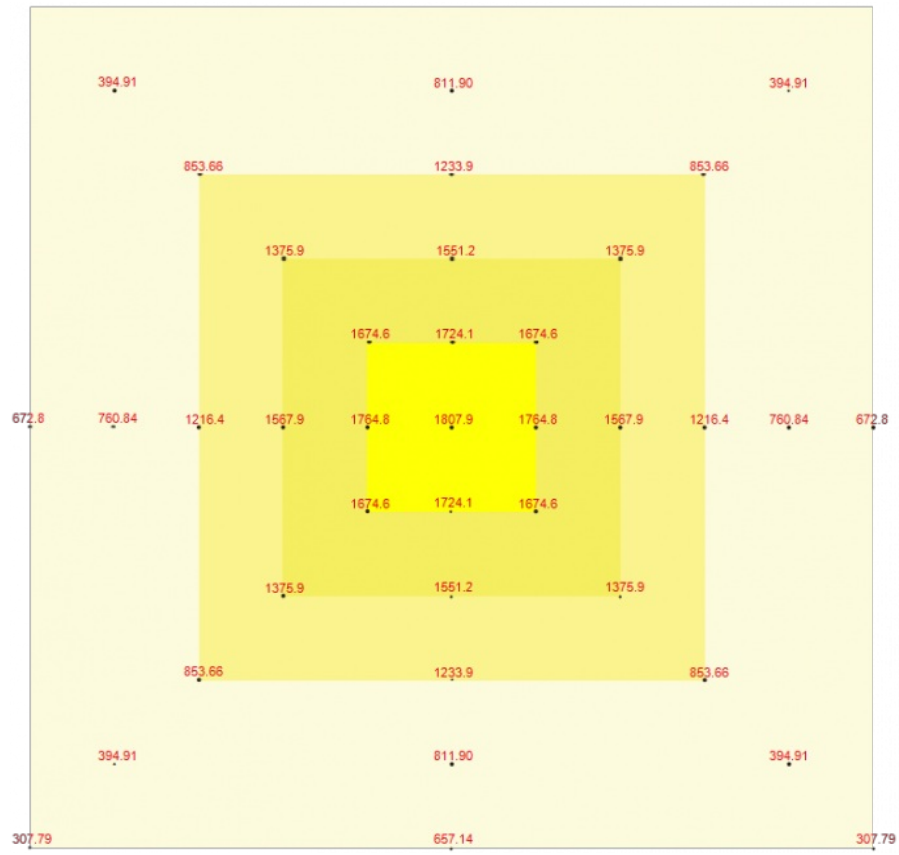

Our goal is to provide you with a hassle-free and enjoyable indoor gardening experience. Please do not hesitate to contact us for any assistance or support.
