Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC DLC ETL
- Model Number: HY6-600W-HT
- Minimum Order Quantity: 1
- Packaging Details: Carton size 1170*650*130mm Weight 10kg /pcs
- Delivery Time: 3-5 days
- Payment Terms: T/T, Western Union, MoneyGram

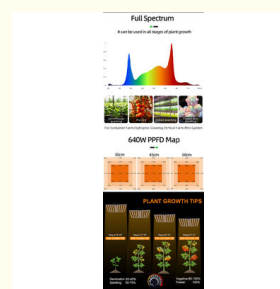

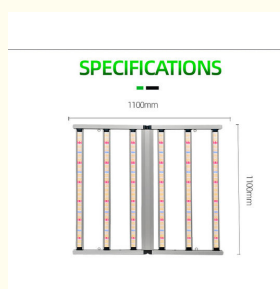

Product Specification

- Power: 600W
- Led Quantity: 1836pcs
- Foldable: Yes
- Voltage: AC 100-240V
- Spectrum: Full Spectrum
- Material: Aluminum Alloy
- Dimmable: Yes
- Operating Humidity: <95%
- Highlight: 600W LED Grow Light Full Spectrum ,
600 Watt LED Grow Light Full Spectrum ,
600w LED Full Spectrum Grow Light

Product Description

Product Description:

The Planting Spectrum LED technology makes it possible to adjust the light spectrum according to the plant's growth stage, resulting in better growth, higher yields, and healthier plants. This feature ensures that your plants receive the perfect amount of light they need at every stage of their growth.

The Foldable LED Grow Light is designed to maximize space and provide convenience. Its foldable feature allows you to adjust the angle of the light and easily move it from one place to another, making it ideal for small spaces. The compact design makes it easy to store when not in use, and the durable Aluminum Alloy ensures that it will last for a long time.

Our flexible vegetation grow light is suitable for indoor gardens, hydroponics, greenhouses, and plant factories. The Full Spectrum LED technology ensures that your plants receive the complete spectrum of light they need to grow strong and healthy. It provides a perfect balance of light that mimics natural sunlight, ensuring that your plants grow optimally.

The Foldable LED Grow Light is easy to use and perfect for beginners. The plug-and-play feature allows you to use it right out of the box. The operating humidity of less than 95% ensures that it is safe to use in any environment.

Invest in our Foldable LED Grow Light and experience the convenience and benefits of indoor gardening. With its Expandable Planting Spectrum LED technology, you can be assured that your plants will receive the perfect amount of light they need to grow and thrive. Order yours today!

Features:

Product Name: Foldable LED Grow Light

Power: 600W

Foldable: Yes

Spectrum: Full Spectrum

Dimmable: Yes

Voltage: AC 100-240V

Introducing our Retractable Leaf Cultivation Fixture - the Foldable LED Grow Light. This Expandable Planting Spectrum LED is the perfect solution for indoor gardening. With its portable design, this Portable Cultivation Light can be used in any space and is easy to store when not in use.

Technical Parameters:

Power cord type	US /AU/EU/GB
Input voltage	100-240VAC
Rated voltage	120/220VAC
Use light source	SMD2835/3030
Light angle	120degree ±5
Rated power	600W±5%
Coverage	4*4ft
LED Quantity	1836PCS
PPFD	700-2400 μmol/(m ² .s)
PPF efficiency	2.8 μmol/s/W
Power factor	≥0.9
Light effect	160 lm/W ±5%
Dimension	L1100 × W1100 × H90mm (including power supply);Folding size: L1100 × W580 × H75mm (excluding power supply)
Luminous flux	96000lm
Working temperature	-10~+45°C
Storage temperature	-20~+50°C
Gross weight/carton	10kg / 1170*650*130mm
Feature	Two fold design, networked control
Application	Large-scale industrial planting, family planting tents

Applications:

One of the key features of this Foldable Plant Growing Light is its dimmable function, which allows you to adjust the brightness to suit your plants' needs. This ensures that your plants receive the optimal amount of light they need to thrive, whether they are seedlings, vegetative, or flowering plants.

The 1836 pcs LED quantity of this Folding Botanical Growth Lamp provides a full spectrum of light that is essential for plant growth and photosynthesis. This compact Photosynthesis Illuminator is designed to be energy-efficient, with a power consumption of just 600W, making it an eco-friendly choice for indoor gardening.

The ANROFU Foldable LED Grow Light is certified by CE, ROHS, FCC, DLC, and ETL, ensuring that it meets the highest quality and safety standards. It is also designed to operate in environments with a humidity level of less than 95%, making it suitable for use in a variety of different growing scenarios.

With a minimum order quantity of just one, and a delivery time of 3-5 days, the ANROFU Foldable LED Grow Light is an excellent choice for anyone looking for a reliable and efficient plant growing light. Payment terms are T/T, making it easy to order and pay for your product.

Some of the key Product Application Occasions and Scenarios for this Foldable LED Grow Light include:

Indoor home gardening

Greenhouse plant growing

Commercial plant cultivation

Hydroponic plant growing

Vertical farming

Whether you are a beginner or experienced grower, the ANROFU Foldable LED Grow Light is an excellent choice for anyone looking for a high-quality, energy-efficient, and reliable plant growing light that is easy to use and transport.

Support and Services:

The Foldable LED Grow Light is a high-quality product designed to meet the needs of indoor plant growth. It comes with a range of technical support and services to ensure that your plants receive the best care possible. Some of the key features of the product include:

Adjustable light spectrum to cater to different plant growth stages

Energy-saving design to minimize your electricity bill

Foldable design for easy storage and transportation

Long lifespan and low maintenance requirements

Our technical support and services include:

Product installation and setup assistance

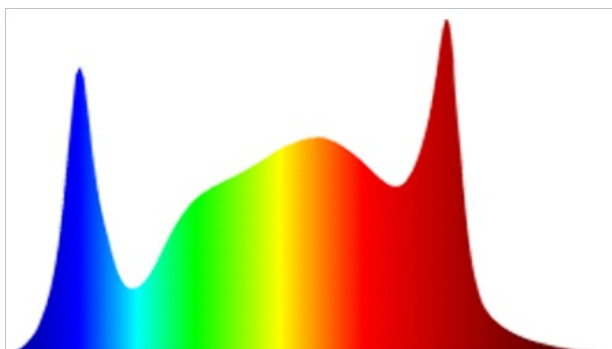

Troubleshooting and problem-solving assistance

Product maintenance and repair services

Product replacement and refund services

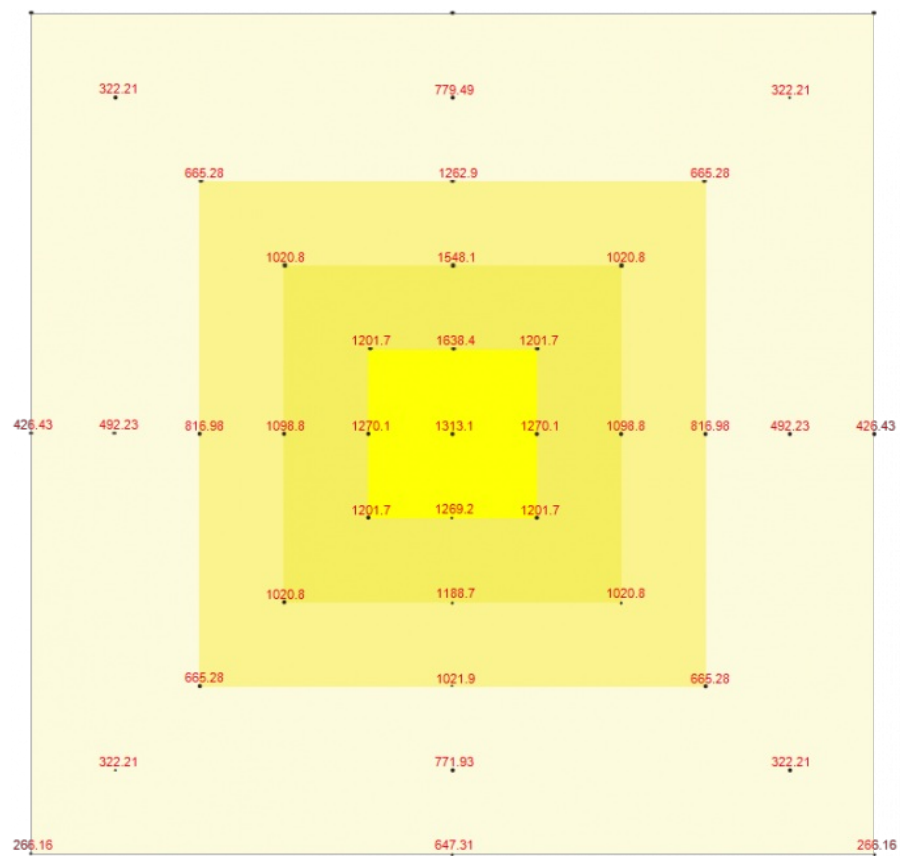

Our team of experts is always ready to help you with any questions or concerns you may have about the Foldable LED Grow Light. We are committed to providing you with the best customer experience possible.
