

## Silver Quantum Board Aluminum Heat Sink

### Our Product Introduction

for more products please visit us on [growled-light.com](http://growled-light.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC DLC ETL
- Model Number: HY-299
- Minimum Order Quantity: 1
- Delivery Time: 3-5 working days
- Payment Terms: T/T
- Supply Ability: 10000 PCS Per Day

#### Product Specification

- Material: Aluminum
- Versatility: Can Be Used With Various Types Of Quantum Board LED Lights
- Durability: Made With High-quality Materials For Long-lasting Use
- Ventilation: Multiple Ventilation Holes For Improved Airflow
- Color: Silver
- Compatibility: Designed For Use With Quantum Board LED Lights
- Size: Various Sizes Available
- Design: Sleek And Modern Design
- Highlight: **Silver Quantum Board Heat Sink, Quantum Board Aluminum Heat Sink,**

## Product Description

### Product Description:

One of the standout features of this Quantum Board Heatsink is its sleek and modern design. Its silver color and clean lines make it a stylish addition to any setup, while also providing the necessary functionality to keep your lights cool. Available in various sizes, this heatsink is suitable for use with a range of different Quantum Board LED lights, providing versatility for a variety of applications.

Whether you're a professional grower, hobbyist, or simply looking to improve the efficiency of your lighting setup, the Quantum Board Heatsink is an excellent choice. Its durable construction and effective heat dissipation make it a reliable and long-lasting solution for keeping your Quantum Board LED lights running smoothly.

### Features:

**Product Name:** Quantum Board Heat Sink

**Durability:** Made With High-quality Materials For Long-lasting Use

**Size:** Various Sizes Available

**Material:** Aluminum

**Design:** Sleek And Modern Design

**Color:** Silver

### Technical Parameters:

Size	Various Sizes Available
Durability	Made With High-quality Materials For Long-lasting Use
Ventilation	Multiple Ventilation Holes For Improved Airflow
Design	Sleek And Modern Design
Color	Silver
Material	Aluminum
Versatility	Can Be Used With Various Types Of Quantum Board LED Lights
Compatibility	Designed For Use With Quantum Board LED Lights

### Applications:

The ANROFU Quantum Board Heat Sink is designed to be compatible with various types of Quantum Board LED lights, making it a versatile choice for any application occasion and scenario. Whether you are using your Quantum Board LED lights for indoor gardening, hydroponics, or commercial growing operations, the Quantum Board Heat Sink will ensure that your lights stay cool and perform at their best.

One of the most common application occasions for the ANROFU Quantum Board Heat Sink is in indoor gardening. The heat sink is designed to fit various sizes of Quantum Board LED lights, making it a perfect choice for growers who need to maximize their light output while minimizing heat. The Quantum Board Heat Sink can also be used in hydroponic growing systems, where heat can be a major issue. The ANROFU Quantum Board Heat Sink is also a popular choice for commercial growers who need to maximize their yields and minimize their energy costs. The heat sink is designed to work with various types of Quantum Board LED lights, making it a versatile choice for any commercial growing operation. Whether you are growing vegetables, or flowers, the Quantum Board Heat Sink will ensure that your lights stay cool and perform at their best.

Overall, the ANROFU Quantum Board Heat Sink is a must-have accessory for anyone who wants to get the most out of their Quantum Board LED lights. With its sleek and modern design, high-quality materials, and compatibility with various types of Quantum Board LED lights, the Quantum Board Heat Sink is a versatile and durable choice for any application occasion and scenario.

### Support and Services:

The Quantum Board Heat Sink product offers top-of-the-line technical support and services to ensure optimal performance and customer satisfaction. Our team of experts is available to assist with any questions or concerns regarding installation, maintenance, or troubleshooting. Additionally, we offer repair and replacement services for any defective or damaged products. Our goal is to provide our customers with the best possible experience and ensure that their Quantum Board Heat Sink product performs to the highest standards.

### FAQ:

**Q: What is the ANROFU Quantum Board Heat Sink made of?**

A: The ANROFU Quantum Board Heat Sink is made of high-quality aluminum alloy materials to ensure optimal heat dissipation and durability.

**Q: What size Quantum Boards are compatible with this heat sink?**

A: The ANROFU Quantum Board Heat Sink is compatible with most sizes of Quantum Boards, including the popular 120W, 240W, and 320W models.

**Q: Does this heat sink come with mounting hardware?**

A: Yes, the ANROFU Quantum Board Heat Sink comes with all necessary mounting hardware for easy installation.

**Q: What is the warranty on the ANROFU Quantum Board Heat Sink?**

A: Please refer to our warranty policy page for details on our warranty coverage.

**Q: Where is the ANROFU Quantum Board Heat Sink manufactured?**

A: The ANROFU Quantum Board Heat Sink is manufactured in China, where we maintain strict quality control standards to ensure our products exceed customer expectations.
