Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC DLC ETL
- Model Number: HY82-850W-2T2-110
- Minimum Order Quantity: 1
- Packaging Details: Carton Box :1140*600*125mm Gross Weight: 16.4kg/ctn
- Delivery Time: 3-5 days
- Payment Terms: T/T, Western Union, MoneyGram

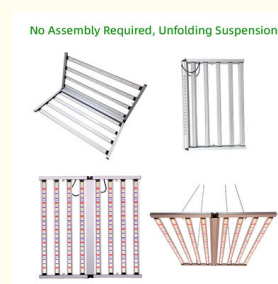

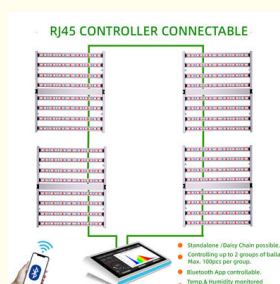

Product Specification

- Power: C/W:750W +UV:100W
- Input Voltage: 100-277VAC 50/60Hz
- Lumen Efficiency CRI: 160LM/W >80
- Channel: 2 Channel
- Dimmable: 0-10VPWM Dimming
- Material: Aluminum Alloy
- Full Spectrum: Full Spectrum White Light/288pcs +24pcs660nm+24pcs UV 395nm
- PPE (Photosynthetic Photon Efficacy): 2.8μmol/J
- Highlight: **850W Foldable LED Grow Light, Foldable LED Grow Light 2 Channel, Foldable Grow Light 2 Channel**

Product Description

Product Description:

The Horticultural Lamp's LED lights are known for their energy efficiency, producing 850W of power while keeping your energy bills low. This makes it an ideal choice for indoor gardening and hydroponic systems. You can rest easy knowing that this Folding Foliage Cultivation Lighting will not only help your plants grow, but it will also save you money.

One of the best features of this Foldable Plant Growing Light is its ability to fold, making it easy to store and transport. This is particularly useful for those who have limited space or need to move their plants around. The lamp is also equipped with a sturdy clip, making it easy to attach to a variety of surfaces.

The Horticultural Lamp is designed to operate in a variety of environments, with an operating humidity of less than 95%. This means that it can be used in a variety of locations, from greenhouses to indoor grow rooms. The Full Spectrum lighting will provide your plants with the light they need to grow strong and healthy, no matter where you choose to place them.

In conclusion, the Horticultural Lamp is the perfect solution for anyone looking for a Foldable Plant Growing Light. With its Full Spectrum lighting, energy efficiency, and foldable design, this Folding Foliage Cultivation Lighting is the ideal choice for indoor gardening and hydroponic systems. Its sturdy clip and compatibility with a range of environments make it the perfect choice for anyone looking to grow plants indoors.

Features:

Product Name: Foldable LED Grow Light

Operating Humidity: <95%

Voltage: AC 100-277V

Material: Aluminum Alloy

Foldable: Yes

Power: 850W

The Foldable LED Grow Light is a versatile and efficient product that can be used as a Cultivation Fixture, Compact Photosynthesis Illuminator, and more. With its aluminum alloy construction, it is built to last and withstand the elements. The Foldable design allows for easy storage and transportation, while the 850W power ensures optimal growth for plants. This product is suitable for indoor use, with an Operating Humidity of less than 95% and a Voltage range of AC 100-277V.

Technical Parameters:

Product Name	850W LED Grow Light
Model number	HY82-850W-2T2-110
Power	C/W:750W +UV:100W
Input voltage	100-277VAC 50/60Hz
LED Driver	UL CE Driver
Lumen	120000LM
Lumen efficiency CRI	160LM/W >80
Channel	2 channel
Dimmable	0-10V dimmer
PPFD (Photosynthetic Photon Flux Density) (380-780nm)	2100μmol/m²/s
PPE (Photosynthetic Photon Efficacy)	2.8μmol/J
Full spectrum	Full spectrum white light/288pcs +24pcs660nm+24pcs UV 395nm
Coverage	4x4ft
Mounting height	≥ 6" (15.2cm) Above canopy
Supplementation time	Vegetative Stage: 12 - 14 hours on; Flowering Stage: 9-12 hours on; Fruiting Stage: 7-8 hours on.
Product size	1100*1100mm
PF	>0.95
THD	<15%
LED Bar	8 strips
Angle	120°
Housing color/Material	Silver/Aluminum
Product size	1100*1100mm
IP	IP54 (Indoor using)
Lifespan	>50,000H
Working Temperature	-20°C~+45°C
Operating Humidity	<95%
Storage Temperature	-40°C~+80°C
Input voltage(AC)	100 V 208 V 240 V 277 V
Input current at 100%	7.1A 4.2A 3.6A 2.8A

This is a Portable Cultivation Light, Folding Foliage Cultivation Lighting, and Flexible Vegetation Grow Light.

Applications:

The ANROFU Foldable LED Grow Light has 3472pcs of LED lights, making it a powerful tool for plant growth. The voltage requirement is AC 100-277V, which is suitable for most locations. Its foldable design makes it easy to store and transport, making it perfect for indoor gardening, greenhouses, and hydroponic systems. It is a Compact Photosynthesis Illuminator that can be used to grow a variety of plants, including flowers, fruits, and vegetables.

The Cultivation Fixture is designed for easy installation and use, making it a great option for both experienced and novice gardeners. It has a Full Spectrum spectrum that mimics natural sunlight, providing plants with the light they need to grow and thrive. It is also dimmable, which allows you to adjust the light intensity to match the needs of your plants. This feature is especially useful for sensitive plants that require lower light levels.

The ANROFU Foldable LED Grow Light is perfect for a wide range of applications and scenarios. It can be used for indoor gardening, greenhouse cultivation, hydroponic systems, and more. It is ideal for growing plants in areas with limited natural light or during the winter months when daylight hours are shorter. Its compact design makes it perfect for use in small spaces, such as apartments or offices.

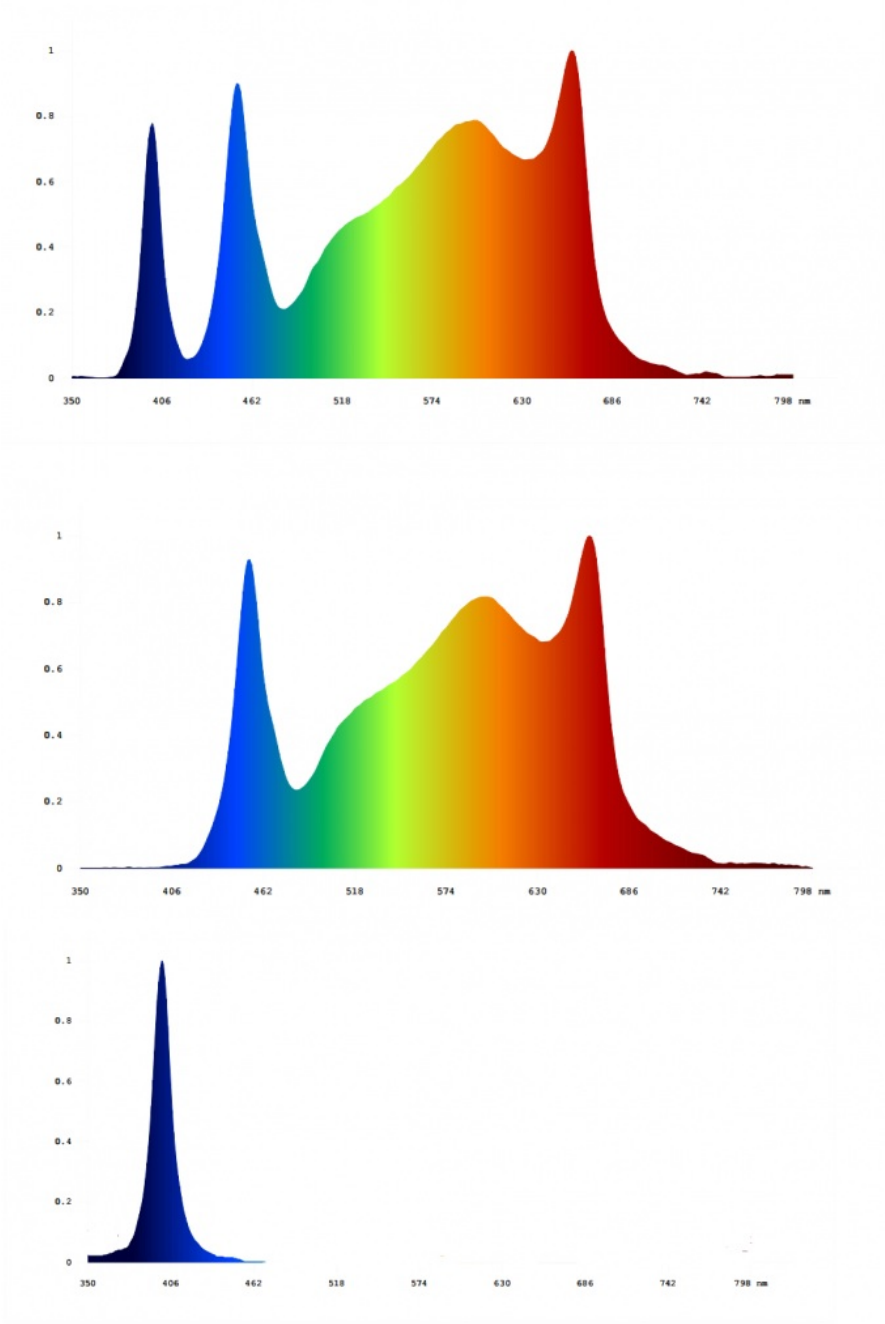

In conclusion, the ANROFU Foldable LED Grow Light is a versatile and powerful tool for plant growth. With its Compact Photosynthesis Illuminator design, Retractable Leaf Cultivation Fixture, Full Spectrum spectrum, and dimmable feature, it is perfect for various applications and scenarios. Whether you're an experienced gardener or a beginner, this product is easy to use and provides excellent results. Order yours today and see the difference it can make in your plant growth!

Support and Services:

The Foldable LED Grow Light is designed to provide optimal lighting conditions for indoor plants, herbs, and vegetables. It features high-quality LED lights that emit the perfect spectrum of light for plant growth and development. The product comes with a user manual that includes detailed instructions on how to set up and use the grow light. Additionally, our technical support team is available to answer any questions or concerns you may have about the product.

Our services include a five-year warranty on the product, which covers any defects or malfunctions that may occur during normal use. We also offer replacement parts and accessories for the grow light, including replacement LED lights and power cords.
