Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC ETL DLC
- Model Number: HY103-1000W-B3-110
- Minimum Order Quantity: 1
- Packaging Details: Carton Box :1145*295*280mm Gross Weight: 17kg/ctn
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000pcs per day

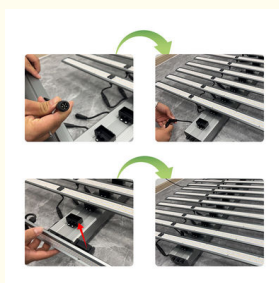

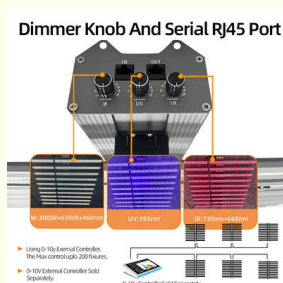

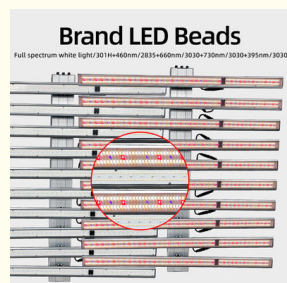

Product Specification

- Material: Aluminum Alloy
- Power: C/W:800W +R/IR:150W+UV:60W
- Input Voltage: 100-277VAC 50/60Hz
- Lifespan: 50,000 Hours
- PPFD (Photosynthetic Photon Flux Density) (380-780nm): 2894 $\mu\text{mol}/\text{m}^2/\text{s}$
- PPE (Photosynthetic Photon Efficacy): 3.1 $\mu\text{mol}/\text{J}$
- Full Spectrum: Full Spectrum White Light/301H+460nm/2835+660nm/3030+IR 730nm/3030+UV 395nm/3030
- Coverage: 4x4ft
- Highlight: 1000W LED Plant Growing Lights,

Detachable Grow Light

Product Description

1000W 3 Channel Dimmable Detachable LED Grow Light The Ultimate Solution For Plant Growth Success

Product Description:

The Detachable LED Grow Light is incredibly versatile, allowing you to hang or clip it wherever you need it. It is easy to install, making it perfect for beginners who are new to indoor gardening. The Detachable LED Grow Light has an input voltage of AC100-277V, making it compatible with most electrical systems. It has a frequency of 50/60Hz, ensuring that it is reliable and efficient.

The Detachable LED Grow Light is made from high-quality materials, including aluminum alloy. These materials ensure that the product is durable and long-lasting, with a lifespan of up to 50,000 hours. The aluminum alloy construction also helps to dissipate heat, ensuring that the product remains cool and safe to use over extended periods.

One of the best things about the Detachable LED Grow Light is its detachable design. This feature allows you to easily remove the light from its base and move it to different locations as needed. This is especially useful if you have multiple plants that require different levels of light or if you want to move the light to a different room.

The Detachable LED Grow Light is perfect for growing a wide range of plants, including flowers, herbs, vegetables, and more. It provides the perfect amount of light to encourage healthy growth, ensuring that your plants stay strong and vibrant. The light is also energy-efficient, helping to save on electricity costs over time.

In conclusion, the Detachable LED Grow Light is an excellent choice for anyone who wants to start indoor gardening. Its versatile design, high-quality construction, and detachable feature make it a top choice for beginners and experienced gardeners alike. With a lifespan of up to 50,000 hours, this product is a long-term investment that will provide you with years of use. Try the Detachable LED Grow Light today and see the difference it can make for your plants!

Technical Parameters:

Product Name	1000W LED Grow Light
Model number	HY103-1000W-B3-110
Power	C/W:800W +R/IR:150W+UV:60W
Input voltage	100-277VAC 50/60Hz
LED Driver	UL CE Driver
Lumen	160000LM
Lumen efficiency CRI	160LM/W >80
PPFD (Photosynthetic Photon Flux Density) (380-780nm)	2894 μ mol/m ² /s
PPE (Photosynthetic Photon Efficacy)	3.1 μ mol/J
Dimmable	0-10V Dimming
Channel	3 channel
Full spectrum	Full spectrum white light/301H+460nm/2835+660nm/3030+IR 730nm/3030+UV 395nm/3030
Coverage	4x4ft
Mounting height	≥ 6" (15.2cm) Above canopy
Supplementation time	Vegetative Stage: 12 - 14 hours on; Flowering Stage: 9-12 hours on; Fruiting Stage: 7-8 hours on.
Product size	1100*1030mm
PF	>0.95
THD	<15%
LED Bar	10 strips
Angle	120°
Housing color	Silver
Material	Aluminum

IP	IP54 (Indoor using)
Lifespan	>50,000H
Working Temperature	-20°C~+45°C
Operating Humidity	<95%
Storage Temperature	-40°C~+80°C
Input voltage(AC)	120 V 208 V 240 V 277 V
Input current at 100%	98.3A 4.9A 4.3A 3.7A

Applications:

The Detachable LED Grow Light is versatile and can be used in various scenarios. For those who live in areas with limited outdoor space, this product can be used to grow plants indoors. It is ideal for apartment dwellers, urban gardeners, and those who want to grow plants all year round regardless of the weather outside.

The product's input voltage of AC100-277V makes it easy to use in various locations. It can be used in homes, offices, schools, and other indoor spaces. The Detachable LED Grow Light's lifespan of 50,000 hours ensures that it can be used for an extended period without needing to replace the bulbs. Additionally, the product's frequency of 50/60Hz makes it compatible with various electrical systems.

The Detachable LED Grow Light is perfect for plant enthusiasts who want to experiment with different plant varieties. With its red and blue LED color, the product provides the ideal light spectrum for plant growth. The red light is responsible for stimulating plant growth, while the blue light promotes leaf growth. This product can be used for various plant types, including tomatoes, herbs, peppers, and succulents. For those who want to grow plants efficiently and effectively, the ANROFU Detachable LED Grow Light is the product you need. With a supply ability of 10,000 pcs per day, you can be assured that you will never run out of stock. Payment terms are T/T, making it easy to complete your purchase. Order your Detachable LED Grow Light today and experience the joy of indoor plant growth.

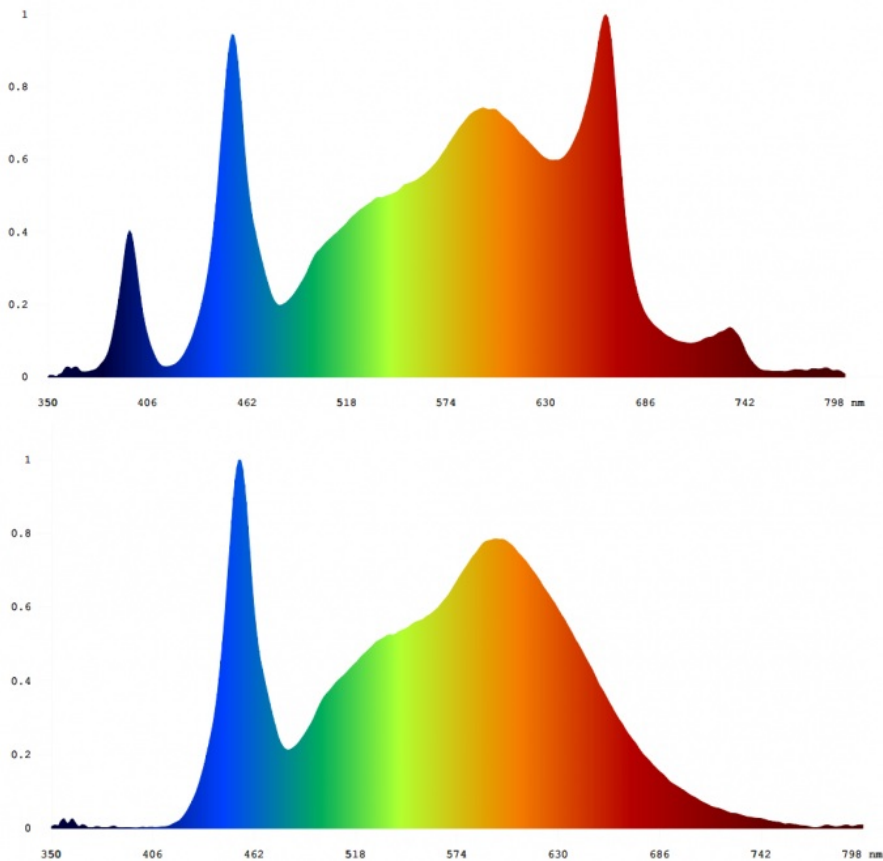

Support and Services:

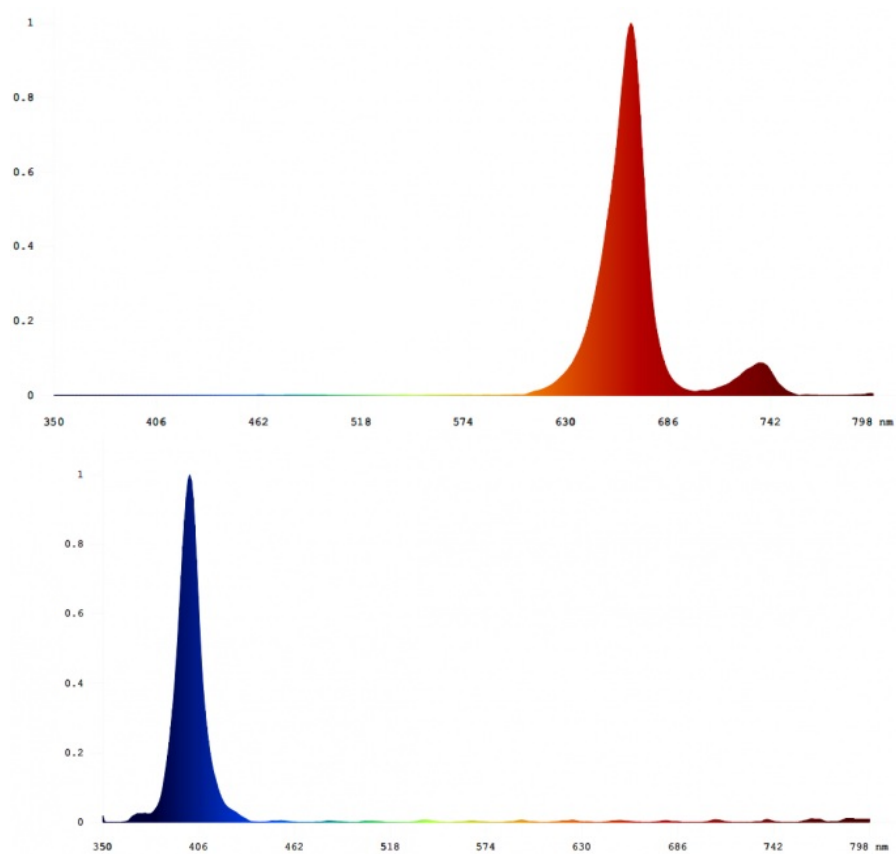

Our Detachable LED Grow Light product comes with technical support and services to ensure that you have the best experience possible. Our team of experts is available to assist you with any questions or concerns you may have about the installation, operation, and maintenance of your grow light.

We also offer repair and replacement services for any defective components of your grow light. If you encounter any issues with your product, simply reach out to us and we will work to resolve the problem quickly and efficiently.

In addition, we provide helpful resources such as user manuals, FAQs, and troubleshooting guides to help you get the most out of your grow light. We are committed to providing quality technical support and services to ensure that you have a successful and thriving garden.
