

## Full Spectrum 1200W Hydroponic Growing Plants LED Lights Indoors

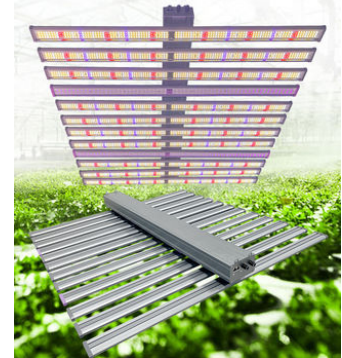

Our Product Introduction

for more products please visit us on [growled-light.com](http://growled-light.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC ETL DLC
- Model Number: HY12-1200W-D9-110
- Minimum Order Quantity: 1
- Packaging Details: Carton Box :1160\*295\*280MM Gross Weight: 16kg/ctn
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 10000pcs per day

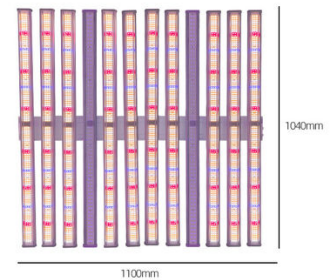

Detachable Grow Light

### Product Specification

- Product Name: 1200W Detachable LED Grow Light
- Material: Aluminum Alloy
- Dimmable: 0-10V Dimming
- Input Voltage: 100-277VAC 50/60Hz
- PPFD (Photosynthetic Photon Flux Density) (380-780nm): 3360 $\mu$ mol/m<sup>2</sup>/s
- PPE (Photosynthetic Photon Efficacy): 2.8 $\mu$ mol/J
- Full Spectrum: Full Spectrum White Light+460nm+660nm+IR 730nm+UV 395nm
- Coverage: 4\*4ft
- Highlight: Full Spectrum Hydroponic LED Grow Light, 1200W Hydroponic LED Growing Lights,

## Product Description

### 1200W Dimmable Detachable LED Grow Light The Ultimate Solution For Indoor Plant Growth

#### Product Description:

Featuring a frequency of 50/60Hz, this grow light runs smoothly and efficiently, ensuring that your plants receive consistent light throughout the day and night. The LED color of this grow light is red and blue, which is perfect for promoting plant growth and development.

One of the best things about the Detachable LED Grow Light is that it is incredibly versatile when it comes to installation. You can either hang it from the ceiling using the included hooks or clip it onto a stand for more stability. This means that you can use it in a variety of settings, from small grow tents to larger indoor gardens.

Overall, the Detachable LED Grow Light is an excellent choice for anyone who wants to provide their indoor plants with the best possible growing conditions. With its long lifespan, efficient frequency, and adjustable angle, this grow light is sure to help your plants thrive and flourish.

#### Technical Parameters:

Product Name	1200W Detachable LED Grow Light
Model number	HY12-1200W-D9-110
Power	1200W
Input voltage	100-277VAC 50/60Hz
LED Driver	UL CE Driver
Channel	1 channel
Dimmable	0-10V Dimming
Lumen	192000LM
Lumen efficiency CRI	160LM/W >80
PPFD (Photosynthetic Photon Flux Density) (380-780nm)	3360μmol/m <sup>2</sup> /s
PPE (Photosynthetic Photon Efficacy)	2.8μmol/J
Detachable	yes
Full spectrum	Full spectrum white light+460nm+660nm+IR 730nm+UV 395nm
Coverage	4x4ft
Mounting height	≥ 6" (15.2cm) Above canopy
Supplementation time	Vegetative Stage: 12 - 14 hours on; Flowering Stage: 9-12 hours on; Fruiting Stage: 7-8 hours on.
Product size	1100*1040mm
PF	>0.95
THD	<15%
LED Bar	12 strips
Angle	120°
Housing color	Silver
Material	Aluminum
IP	IP54 (Indoor using)
Lifespan	>50,000H

Working Temperature	-20°C~+45°C
Operating Humidity	<95%
Storage Temperature	-40°C~+80°C
Input voltage(AC)	100 V 220 V 240 V 277 V
Input current at 100%	10A 5.45A 5A 4.3A

### Applications:

With a lifespan of 50,000 hours, this product is built to last and can provide consistent and reliable lighting for your plants for years to come. The wavelength of the light emitted is optimized for plant growth, with 660nm (red) and 460nm (blue) wavelengths that help promote photosynthesis and healthy growth.

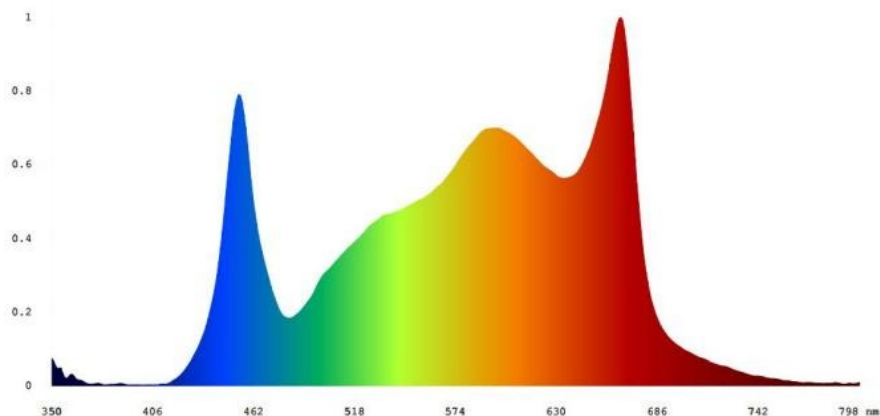

Made from high-quality aluminum alloy materials, this Detachable LED Grow Light is durable and long-lasting. Its detachable design makes it easy to install and adjust, and it's suitable for a wide range of indoor gardening applications, including hydroponics, greenhouse cultivation, and home gardening. Whether you're growing herbs, vegetables, or flowers, this product can help you achieve the best possible results.

The frequency of the Detachable LED Grow Light is 50/60Hz, making it suitable for use in a variety of environments. Whether you're setting up a grow tent in your garage or a dedicated grow room in your home, this product can provide the lighting your plants need to thrive. With its high-quality construction, optimized wavelength, and adjustable design, the Detachable LED Grow Light from ANROFU is a top choice for any indoor gardener looking to achieve the best possible results.

### Support and Services:

Our Detachable LED Grow Light comes with a 5-year warranty and lifetime technical support. Our team of experts is available to help you with any questions or issues you may have regarding the product. We also offer repair and replacement services for any defective parts within the warranty period. In addition, we provide resources and tips on how to optimize the use of the grow light for your plants. Thank you for choosing our product and we are committed to providing you with the best technical support and services.
