

Epistar Chips 50W UFO LED Grow Light for Full Spectrum Plant Growth Product Size $\Phi 330 \times 35\text{mm}$

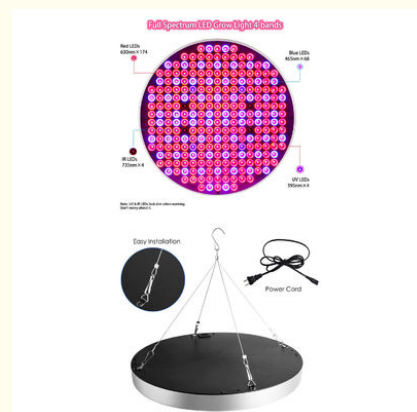

Basic Information

- Place of Origin: CHINA
- Brand Name: ANROFU
- Certification: CE ROHS FCC ETL DLC
- Model Number: HY-UFO50W
- Minimum Order Quantity: 1
- Delivery Time: 3-5 working days
- Payment Terms: T/T
- Supply Ability: 10000pcs per day

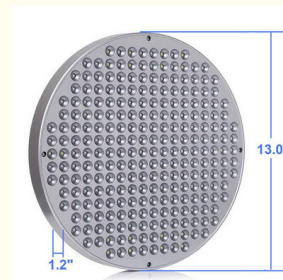

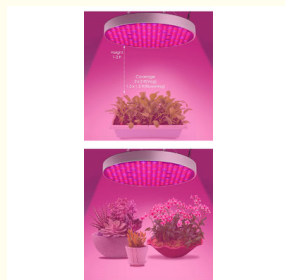

Product Specification

- Led Chips: High-quality Epistar
- Power: $50\text{W} \pm 3\%$
- Body Material: Aluminum
- Product Size: $\Phi 330 \times 35\text{mm}$
- Lumen: 4000LM
- Weight: 1kg
- LED Chip Quantity: 250 Pcs
- Waterproof: IP44
- Highlight: Epistar Chips UFO LED Grow Light, Full Spectrum UFO LED Grow Light, 50W UFO LED Grow Light

Product Description

Product Description:

With a powerful Lamp Power of 50W(LED), this grow light is designed to provide optimal lighting conditions for plant growth and development. The efficient Power Draw of 50w \pm 3% ensures energy savings without compromising on performance.

The Full Spectrum LED Grow Light is equipped with high-quality Led Chips, to deliver a balanced spectrum of light that promotes healthy plant growth at all stages. These chips are carefully selected to maximize plant photosynthesis and overall yield.

This grow light is easy to install and perfect for various grow room setups. Whether you are a beginner or a seasoned grower, the Full Spectrum LED Grow Light provides the versatility and functionality needed for successful indoor cultivation.

Designed for commercial use, this LED grow light is ideal for professional growers looking to maximize their yields and quality. The Full Spectrum LED Grow Light offers the perfect blend of efficiency, performance, and convenience, making it a valuable addition to any grow operation.

Features:

Product Name: Full Spectrum LED Grow Light

Voltage: 12V

Power Draw: 50W \pm 3%

Lumen: 4000LM

LED Chip Quantity: 250PCS

Weight:1kg

Applications:

When it comes to providing the perfect lighting solution for plants, the ANROFU Full Spectrum LED Grow Light (Model: HY-UFO50W) from CHINA is a top choice for various application occasions and scenarios. This innovative product is designed to meet the needs of different setups, making it ideal for both commercial and personal use.

For commercial settings such as large-scale indoor farms or greenhouse operations, the ANROFU Full Spectrum LED Grow Light is a game-changer. With its powerful 50W LED lamp power, this product ensures that crops receive the optimal light spectrum for growth and development.

In addition to commercial applications, this LED grow light is also perfect for personal use in home gardens or indoor plant setups. Whether you are a hobbyist looking to grow herbs, flowers, or vegetables indoors, the ANROFU Full Spectrum LED Grow Light provides the right balance of blue and red LED chip sizes.

Thanks to its CE, ROHS, FCC, ETL, and DLC certifications, customers can trust the quality and safety of the ANROFU Full Spectrum LED Grow Light. With a minimum order quantity of 1 and a fast delivery time of 3-5 working days, acquiring this product is convenient and efficient. The payment terms of T/T and a supply ability of 10000pcs per day further enhance the accessibility of this cutting-edge lighting solution.

Support and Services:

Our Product Technical Support and Services for the Full Spectrum LED Grow Light include:

- Assistance with product installation and setup
- Troubleshooting any technical issues related to the grow light
- Guidance on optimizing light settings for different plant types
- Warranty support and product repair services

FAQ:

Q: What is the brand name of this LED grow light?

A: The brand name is ANROFU.

Q: What is the model number of this LED grow light?

A: The model number is HY-UFO50W.

Q: Where is this LED grow light manufactured?

A: It is manufactured in CHINA.

Q: What certifications does this LED grow light have?

A: It is certified with CE, ROHS, FCC, ETL, and DLC.

Q: What is the minimum order quantity for this LED grow light?

A: The minimum order quantity is 1.

Q: What is the delivery time for this LED grow light?

A: The delivery time is 3-5 working days.

Q: What are the payment terms for this LED grow light?
A: The payment terms are T/T.
Q: What is the supply ability for this LED grow light?
A: The supply ability is 10000pcs per day.
