Product Description

Product Description:

Introducing our innovative LED Fishing Light, a versatile and reliable tool designed to enhance your fishing experience. With a power source of 1000W, this product provides you with the convenience of long-term use, it ensures that you can easily work the fishing light, making it a sustainable and cost-effective choice for all your fishing adventures.

Featuring a powerful 1000W lumens output, this LED fishing light delivers exceptional brightness to illuminate your surroundings, attracting fish and enhancing visibility during night fishing sessions. The deep drop fishing light capabilities allow you to reach depths of 20m to 30m, making it ideal for various fishing environments and techniques.

The beam angle of 120 degrees ensures a wide coverage area, casting a broad and uniform light that maximizes your visibility in the water. Whether you are fishing in lakes, rivers, or deep-sea environments, this LED fishing light provides you with the illumination you need to spot fish and navigate your surroundings with ease.

Weighing is 11.8kg, this LED fishing light is enough deep into sea 20-30 meters, making it easy to transport and handle during your fishing trips. The compact design and durable construction ensure that the light is built to withstand the rigors of outdoor use, providing you with a reliable and long-lasting lighting solution for all your fishing excursions.

Features:

Product Name: LED Fishing Light

Mounting Options: Clip

Weight: 11.8kg including 30 meters cable deep into sea

Working Time: 8-10 Hours

Power Source: 1000W

Size: Diameter 215mm X Height 210mm

Technical Parameters:

Beam Angle	120 Degrees
Size	Diameter 215mm X Height 210mm
Power Source	1000W
Usage	Fishing/Boating/Camping
Mounting Options	Clip
Weight	11.8KG including 30 meters cable deep into sea
Input Voltage	AC200-265V
Working Time	8-10 Hours

Applications:

ANROFU LED Fishing Light is a versatile and reliable product that caters to a wide range of fishing needs. Designed in China, this waterproof 30m fishing light is perfect for both recreational and commercial fishing activities. The light's durable construction ensures it can withstand harsh marine environments, making it an ideal choice for boat fishing.

With a beam angle of 120 degrees, the ANROFU LED Fishing Light provides ample coverage underwater, attracting a variety of fish species. Whether you are fishing in deep waters or near the surface, this light offers excellent visibility to enhance your fishing experience.

The ANROFU LED Fishing Light is available in blue and green LED options, allowing you to customize your fishing setup based on your preferences and the type of fish you are targeting. Whether you are night fishing or exploring murky waters, the bright and energy-efficient LEDs ensure optimal performance.

Whether you are a professional angler or a hobbyist, the ANROFU LED Fishing Light is a must-have accessory for your fishing trips. Enhance your catch rate and enjoy a more productive fishing session with this reliable and durable fishing light.
