Power Source	2000W
Input Voltage	AC200-265V
Cable	30 meters
Working Time	8-10 Hours
Usage	Fishing/Boating/Camping
Weight	13.6KG

Applications:

ANROFU LED Fishing Light is a versatile and reliable product originating from China, designed to enhance your fishing experience in various scenarios. Weighing is 13.6kg, this fishing light is a must-have accessory for fishing, boating, and camping adventures.

One of the key features of the ANROFU LED Fishing Light is its long-lasting LED technology, ensuring a working time of 8-10 hours. Whether you are engaging in squid fishing, deep drop fishing at depths of 30m or 50m, or simply enjoying a nighttime fishing session, this light provides the illumination you need to attract marine life and improve your catch rate.

The compact size of diameter 215mm X height 300mm makes it easy to carry and store, making it a convenient tool for all your outdoor activities. The ANROFU LED Fishing Light offers clip for securing it to your gear.

For squid fishing enthusiasts, this light serves as an effective attractant, drawing in squid with its bright and consistent illumination. When engaging in deep drop fishing at extreme depths, the ANROFU LED Fishing Light ensures that your bait is visible to deep-sea creatures, increasing your chances of a successful catch.

Whether you are out on a fishing trip, boating excursion, or camping adventure, the ANROFU LED Fishing Light is a reliable companion that provides the lighting you need for various outdoor activities. Its durable construction and efficient LED technology make it a valuable addition to your gear, enhancing visibility and improving your overall fishing experience.

Customization:

Enhance your fishing experience with our customizable LED Fishing Light from ANROFU. Perfect for shrimp fishing, this fishing light attractor is designed to illuminate your surroundings with 2000W lumens of bright light. Crafted in China, this LED light offers a working time of 8-10 hours.

With a wide beam angle of 120 degrees, the LED Fishing Light provides excellent visibility underwater, helping you attract more fish effortlessly.

Packing and Shipping:

Product Packaging and Shipping:

Our LED Fishing Light comes carefully packaged to ensure it reaches you in perfect condition. Each light is securely wrapped in bubble wrap and placed in a sturdy cardboard box for protection during transport.

Shipping Information:

We offer fast and reliable shipping options for your convenience. Once your order is placed, our team will carefully pack your LED Fishing Light and ship it out within 1-2 business days. You will receive a tracking number to monitor the delivery status of your package.
