

## Retractable Leaf Cultivation Fixture VEG BLOOM and 102400LM Lumen for Optimal Cultivation Results

### Our Product Introduction

for more products please visit us on [growled-light.com](http://growled-light.com)

#### Basic Information

- Brand Name: ANROFU
- Certification: CE ROHS FCC DLC ETL
- Minimum Order Quantity: 1
- Delivery Time: 3-5 Days
- Payment Terms: T/T

#### Product Specification

- Coverage: 5x8ft
- Feature: Daisy Chain Knob
- Usage: VEG+BLOOM
- Dimmable: 0% - 100%
- Channel: 2 Channel
- Lumen: 102400LM
- Highlight: retractable LED grow light, foldable cultivation fixture VEG BLOOM, high lumen LED grow light

## Product Description

### Product Description:

The Foldable LED Grow Light is a versatile and efficient lighting solution designed for indoor gardening enthusiasts. This Folding Foliage Cultivation Lighting system provides a powerful output of 102400LM, ensuring your plants receive the necessary light intensity for healthy growth and development.

One of the standout features of this Compact Photosynthesis Illuminator is its dimmable functionality, allowing you to adjust the light intensity from 0% to 100% according to the specific needs of your plants. Whether you are nurturing seedlings or promoting flowering, this Collapsible LED Grow Light gives you full control over the lighting conditions.

Equipped with a convenient Daisy Chain Knob, this LED grow light enables you to connect multiple units together effortlessly, providing a seamless lighting setup for larger growing areas. The VEG+BLOOM mode allows you to easily switch between different light spectrums to support both vegetative growth and blooming stages of your plants.

With a coverage area of 5x8ft, this foldable LED grow light offers a wide and even distribution of light, ensuring that all your plants receive adequate illumination for optimal growth. Whether you are growing herbs, vegetables, or flowers, this versatile lighting system is suitable for a variety of indoor gardening applications.

In conclusion, the Foldable LED Grow Light is a reliable and efficient solution for indoor growers looking to boost their plant's growth and yield. With its high lumen output, dimmable functionality, and versatile features, this lighting system provides everything you need to create a successful indoor garden.

### Features:

**Product Name:** Foldable LED Grow Light

**Coverage:** 5x8ft

**Usage:** VEG+BLOOM

**Feature:** Daisy Chain Knob

**Dimmable:** 0% - 100%

**Channel:** 2 Channel

### Technical Parameters:

Feature	Daisy Chain Knob
Dimmable	0% - 100%
Lumen	102400LM
Usage	VEG+BLOOM
Coverage	5x8ft
Channel	2 Channel

### Applications:

ANROFU Foldable LED Grow Light is a versatile and innovative lighting solution designed for various plant cultivation needs. With certifications including CE, ROHS, FCC, DLC, and ETL, this product ensures high quality and safety standards are met.

The Foldable LED Grow Light is suitable for a wide range of product application occasions and scenarios. Its foldable design makes it a perfect choice for indoor gardening enthusiasts looking for a convenient and portable cultivation light. Whether you are a hobbyist growing herbs on your kitchen counter or a professional cultivating plants in a small greenhouse, this compact photosynthesis illuminator is a great fit.

Featuring a dimmable option from 0% to 100%, the ANROFU LED Grow Light provides flexibility in adjusting the light intensity according to the specific growth stage of your plants. The VEG+BLOOM usage setting caters to both vegetative and flowering phases, promoting healthy plant development throughout the growth cycle.

With a coverage area of 5x8ft and an impressive lumen output of 102400LM, this foldable plant growing light ensures that your plants receive adequate light for optimal growth and yield. The daisy chain knob feature allows for easy connection of multiple units, enabling you to expand the lighting setup as needed.

For those interested in purchasing the ANROFU Foldable LED Grow Light, the minimum order quantity is 1, making it accessible for individual growers and small-scale operations. The delivery time is quick, with orders typically shipped within 3-5 days. Payment terms are convenient with options for T/T transactions.

### Customization:

ANROFU offers Product Customization Services for the Foldable LED Grow Light, a Portable Cultivation Light that can be tailored to meet your specific needs. Our customization options include:

**Certification:** CE ROHS FCC DLC ETL

**Minimum Order Quantity:** 1

**Delivery Time:** 3-5 Days
